

**APPENDIX K**  
***Location Codes***

Attached are the FIPS (Federal Information Processing System) Codes for the State of Alaska. The FIPS code for the entire State of Alaska is 02. The FIPS Code for an area listed below is the County Code listed in column 3 with '02' added before it. For instance, the FIPS code for Adak Island would be the County Code from column three, 016, with '02' added before it. The FIPS Code for Adak Island, Alaska, is therefore 02016.
