Safety

International & Interstate Travel:

SOA Health Mandate 010 (3/23) orders a mandatory 14-day self-quarantine for both international & interstate travelers (resident or non-resident) traveling to Alaska; failure to follow this order is punishable by the law.

United States and Canada are temporarily restricting all non-essential travel across the ALCAN border. “Non-essential” travel includes travel that is considered tourism or recreational in nature.

Intrastate Travel:

SOA Health Mandate 012 (3/28) suspends all in-state travel unless necessary to support identified critical infrastructure or for identified critical personal needs. A number of communities have enacted additional screening requirements in addition to those outlined in the Governor’s Health Mandates.
