Lifeline Status

Safety and Security

Government
Services

Schools:

The State of Alaska (SOA) [Health Mandate 008](#) (3/20) dictates that all scheduled public-school days through May 1, 2020 will be non-student contact days in which students will not be attending school. Schools have begun deployment of distance learning.

Child Care:

DHSS is fielding questions from licensed providers. Guidance was published in the [SOA Health Alert 008](#) (3/17). Additional guidance will be provided as necessary.

Community
Safety

International & Interstate Travel:

[SOA Health Mandate 010](#) (3/23) orders a mandatory 14-day self-quarantine for both international & interstate travelers (resident or non-resident) traveling to Alaska; failure to follow this order is punishable by the law.

United States and Canada are temporarily restricting all non-essential travel across the ALCAN border. “Non-essential” travel includes travel that is considered tourism or recreational in nature.

Intrastate Travel:

[SOA Health Mandate 012](#) (3/28) suspends all in-state travel unless necessary to support identified critical infrastructure or for identified critical personal needs. A number of communities have enacted additional screening requirements in addition to those outlined in the Governor’s Health Mandates.

Health and Medical

Public Health

Epidemiological Surveillance:

Efforts continue to identify new cases and prevent community spread of the disease.

Laboratory:

Statewide Case Count totals: 213 positive/23 hospitalized/29 recovered/6 deaths*

A total of 6,913 tests have been conducted within the state.

* includes 1 Alaska resident located in WA state

Patient
Movement

Emergency Medical Flight Services:

Air Operations Branch is developing agreements for temporary helicopter pad use at alternate care sites to facilitate the transport of COVID-19 patients.

Local health providers are experiencing disruptions to routine patient movement as a result of air carrier instability

Medical
Supply Chain

Blood Bank:

Blood Bank of Alaska has reported blood shortages due to the coronavirus outbreak. They are continuing to solicit for healthy donors.

Distribution:

Efforts continue to source sufficient personal protective equipment and materials such as ventilators for hospitals statewide. Alaska has received 2 shipments from the DHHS Strategic National Stockpile to date.

Medical Care

Hospitals:

Health Mandate 005 (3/19) suspended all non-urgent and elective procedures for 3 months to assist with conservation of medical supplies.
