Significant Issues

Sand Point M7.5 Earthquake and Tsunami

The SEOC has received preliminary reports of some minor earthquake damage in the Sand Point area and continues to monitor the situation. The SEOC is actively engaged in contacting communities in the tsunami and earthquake areas to develop additional information on any damages.

Coronavirus (COVID-19) Pandemic

A unified command has been established at the SEOC. The SEOC continues to support statewide response to COVID-19.

State of Alaska Department of Health and Social Services (DHSS)

DHSS is operating as the Medical Branch under the State EOC/Unified Command.

For more information about the outbreak refer to:
