(Significant changes from previous situation reports are in red.)

**THREAT LEVEL CHANGES:**

None

**Significant Issues:**

**Munson Creek Fire - Chena Hot Springs Road, Fairbanks:**

The Fairbanks North Star Borough issued a “GO” evacuation order at 4:15 pm on Monday, July 5, 2021, for residents from mile 48 to 56 of Chena Hot Springs Road due to the increased fire behavior on the Munson Creek Fire. The fire reached Monument Creek and within one-half mile of Chena Hot Springs Resort. Alaska State Troopers went door to door and contacted all residents in the area as well as guests and staff at the Chena Hot Springs Resort. Some residents refused to evacuate. The Borough has activated its Community Emergency Response Team (CERT) to support the evacuation. SEOC is in regular, direct contact with Forestry, Alaska State Troopers, and the Borough to support with additional resources should that be required. Forestry is actively engaged in structure protection for residences, cabins, facilities, and the Resort at the end of Chena Hot Springs Road.

**State of Alaska Department of Health and Social Services (DHSS)**

DHSS is now leading the State of Alaska COVID-19 Recovery through Department Operations, supported by SEOC and other state departments as required.

For current COVID-19 information, see:
