(Significant changes from previous situation reports are in red.)

Significant Issues:

None.

Current Operations:

Interior Winter Storms - Disaster Assistance Centers

Under Governor Dunleavy’s January 3, 2022 declaration of state disaster for winter storms, in-person Disaster Assistance Centers for the state’s Individual Assistance program will open in Fairbanks from Tuesday, March 1, through Thursday, March 3 from 9:00 am to 5:00 pm at the Fairbanks National Guard Armory.

Online and telephone registration is also available.

Threat Level Changes:

None.

State of Alaska Department of Health and Social Services (DHSS)

DHSS is now leading the State of Alaska COVID-19 Recovery through Department Operations, supported by SEOC and other state departments as required.

For current COVID-19 information, see:

Significant Weather:

A High Wind Watch has been issued for the Eastern Aleutians for tomorrow afternoon. Southwest winds gusting to 75mph are possible.

A Special Weather Statement has been issued for much of the western coastline. A strong storm is expected to impact the region on Friday with high winds, snow and a chance for freezing rain and blizzard conditions.

For more information and the most current weather, Watches / Warnings / Advisories go to:
<http://www.weather.gov/arh>.

Avalanche Forecast:

There are areas near Valdez with moderate risk and near Cordova and Haines with considerable risk.

Check the Avalanche Forecast Center closest to your area for the most up to date information on avalanche potential. <https://alaskasnow.org> or <https://www.weather.gov/afc/avalancheweather>

The Next Situation Report: will be 03 March 2022. A significant change in the situation or the threat level will prompt an interim report.
