Significant Weather:

A blizzard warning is in effect for the Eastern Beaufort Sea Coast until noon today.

A high wind watch is in effect for the City and Borough of Juneau and the Municipality of Skagway from late tonight through late Sunday night.

Special weather statements have been issued for very cold temperatures over the eastern interior starting today and persisting through next week, and for extreme cold temperatures in southeast Alaska from Yakutat through the whole panhandle from late this weekend through next week.

For more information and the most current weather, Watches / Warnings / Advisories go to:

<http://www.weather.gov/arh>.

Avalanche Forecast:

- Areas near Cordova have a low advisory level below 2,000 ft and a moderate advisory level above 2,000 ft.
- Areas near Valdez have a considerable advisory level at all elevations.
- Turnagain Pass has moderate to heightened avalanche conditions at this time.

Check the Avalanche Forecast Center closest to your area for the most up to date information on avalanche potential. <https://alaskasnow.org> or <https://www.weather.gov/afc/avalancheweather>

The Next Situation Report: will be 19 December 2022. A significant change in the situation or the threat level will prompt an interim report. This report is posted on the internet at

<https://ready.alaska.gov/sitrep>.
