THREAT LEVEL CHANGES: SEOC LEVEL 1 – ROUTINE OPERATIONS

Significant Issues:

The SEOC is monitoring a storm related power outage in Diomedes. The SEOC has been in contact with the community, assisting agencies and the local government specialist. Repairs are expected as soon as Sunday afternoon. No injuries or other reports of damage were reported and there are no requests for additional State assistance at this time. SEOC will continue to monitor the situation and maintain regular contact with the community.
