(Significant changes from previous situation reports are in red.)

**Significant Issues:**

**SEOC at Level 2 – *Heightened Awareness* – Statewide Severe Weather Impacts**

The State Emergency Operations Center (SEOC) remains activated in a hybrid virtual/in-person Incident Command structure to manage the current state declared disaster responses and other incidents arising statewide.

**Threat Level Changes:**

None

**State of Alaska Department of Health and Social Services (DHSS)**

DHSS is now leading the State of Alaska COVID-19 Recovery through Department Operations, supported by SEOC and other state departments as required.

For current COVID-19 information, see:
