(Significant changes from previous situation reports are in red.)

Significant Issues:

Anderson Sewer System Issues

Governor Mike Dunleavy issued a disaster declaration on the 11th to assist the City of Anderson, within the Denali Borough, with their response to ongoing water and sewer issues. The SEOC continues to work with the City of Anderson, Denali Borough, Department of Environmental Conservation, Village Safe Water, and other agencies to support the community’s response and recovery efforts.

SEOC was contacted by the city of Adak regarding a storm event impacting the community that caused intermittent power and landline communication outages. City officials’ belief that full restoration of power and landline service should be restored this week. This contact was for situational awareness only, the community made no requests for state assistance. The SEOC will continue to stay in contact with the community to identify any potential need for assistance.

State of Alaska Department of Health (DOH)

The DOH is leading the State of Alaska COVID-19 Recovery, supported by the SEOC and other state departments as required.

For current COVID-19 information, see:
