Significant Issues:

The SEOC deployed one SEOC Public Information Officer to Florida on Friday to assist the state with recovery from Hurricane Ian through the interstate mutual aid Emergency Management Assistance Compact.

Petersburg Landslide

SEOC contacted the Petersburg Borough Manager as well as the Utilities director in regards to the landslide event along the Mitkof Highway from yesterday yesterday. DOT&PF was able to partially clear the road as of late Monday night and there were no reports of injuries, deaths or loss of personal property. The borough does not have any immediate needs for state assistance at this time, the SEOC will continue to monitor the situation and assist the Petersburg Borough as needed.

Major Coastal Sea Storms

Overall incident operations for the 2022 September West Coast Storm (DR-4672) disaster have transitioned from response in the SEOC to recovery coordinated through the State/FEMA Joint Field Office (JFO). Mass care operations will continue to be coordinated through the SEOC through November 11th and then transition to the JFO for long-term and occasional Mass Care support for feeding and interim housing identification.

State of Alaska Department of Health (DOH)

The DOH is leading the State of Alaska COVID-19 Recovery, supported by the SEOC and other state departments as required.
