THREAT LEVEL CHANGES:

None

Significant Issues:

2020 December Southeast Storm Disaster:

Disaster Individual Assistance and Temporary Housing operations are ongoing in the area declared a State disaster. Verification teams for the over 115 Individual Assistance program registrations in nine Southeast communities have completed their initial assessments and are demobilizing.

Tuluksak Washeteria Fire:

The SEOC continues to be in contact with the community of Tuluksak as well as multiple state, federal, and tribal organizations in support of both the short and long-term recovery efforts for the community. Weather permitting, supplies are being moved over the next two days to allow construction work on a temporary non-potable water supply system in the community to begin next week.

Coronavirus (COVID-19) Pandemic:

A unified command has been established at the SEOC. The SEOC continues to support statewide response to COVID-19.

State of Alaska Department of Health and Social Services (DHSS)
