(Significant changes from previous situation reports are red.)

Significant Issues:

Severed Offshore Internet Cable – Utqiagvik

SEOC is participating in inter-agency coordination calls with the North Slope Borough and communications agencies. The Borough has restored 911 and all emergency service radio links to communities. The Borough and North Slope School District are deploying interim satellite-based communications to restore full government services.

SEOC also participated in a statewide health care collation call where all hospitals and healthcare facilities in the impacted area reported on any service impacts. Facilities are using redundant communications workarounds to continue to deliver patient care.

2023 Spring Floods Disaster

SEOC will deploy a Disaster Assistance Center team to Fort Yukon Monday and Russian Mission and Kwethluk Tuesday to provide Individual Assistance registrations, inspections, and review Public Assistance damages in preparation for the joint Preliminary Damage Assessments with the Federal Emergency Management Agency slated for mid-July.

To date the state has received 199 total disaster Individual Assistance registrations. Deadline for Registration is July 23, 2023.
