
Alaska: Ready Together

Preparing for emergencies & disasters

Alaska: Ready Together

Alaskans Ready Together for all types of disaster through preparedness efforts that enable them to respond to and recover from events rapidly and effectively.

Why Prepare?

- **In a disaster...**

- First responders and emergency workers will not be able to reach everyone right away.
- Providers may not be able to restore critical services such as power or infrastructure immediately

Step for Preparedness

- Be Informed
- Make a Plan
- Build a Kit
- Get Involved

Be Informed

- What are the 3 most likely natural hazards in your area?
- How do you receive current emergency updates?
 - TV
 - Social Media
 - Radio
 - NOAA Weather Radio

Make a Plan

- Family Emergency Plan
- Communication Plan
- Evacuation Plan

Build a Kit

□ What is a disaster kit?

What should go in a Disaster Kit?

- Water - one gallon of water per person per day for 10 or more days, for drinking and sanitation
- Food - at least 10 or more days of supplies of non-perishable food
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert
- Flashlight
- First aid kit
- Extra batteries

What should go in a Disaster Kit?

- Whistle to signal for help
- Dust mask to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Wrench or pliers to turn off utilities
- Manual can opener for food
- Cell phone with chargers and a backup battery
- Medication

Water Storage
