Incident Objectives

Objectives

Ensure the safety and security of responders as well as maximize the protection of public health and welfare.

Prevent the spread of COVID-19 in Alaska by implementing statewide containment and community mitigation strategies.

Support local emergency response operations through the coordination of information, situational reporting and resource requests.

Support the Alaska Department of Health and Social Services in implementation of the Alaska Pandemic Influenza Plan, Alaska Medical Countermeasures Management Plan, and Alaska Mass Fatality Plan.

Keep the public, stakeholders and the media informed of operational activities and address rumors or incorrect information in a timely manner.

Incident Objectives (cont.)

Objectives

Establish a tiered healthcare system to respond to COVID-19 to include the establishment of alternate care sites.

Deploy COVID-19 specimen collection centers and point of care testing sites statewide.

Distribute State of Alaska Crisis Standards of Care, and prepare to implement standards at the direction of the Chief Medical Officer.

Implement the Governor's health mandates.

Plan for the safe and effective recovery effort and the return to normal operations.

Make preparations to engage in Riverwatch, flood, and wildfire response operations, as well as establish an operational organization to support future plans and future operations.
