Ground Rules

Incident Objectives

Objectives

Ensure the safety and security of responders as well as maximize the protection of public health and welfare.

Prevent the spread of COVID-19 in Alaska by implementing statewide containment and community mitigation strategies.

Support local emergency response operations through the coordination of information, situational reporting and resource requests.

Support the Alaska Department of Health and Social Services in implementation of the Alaska Pandemic Influenza Plan, Alaska Medical Countermeasures Management Plan, and Alaska Mass Fatality Plan.

Keep the public, stakeholders and the media informed of operational activities and address rumors or incorrect information in a timely manner.

Incident Objectives (cont.)

Objectives

Maintain a tiered healthcare system to include the establishment of alternate care sites, in response to COVID-19.

Maintain COVID-19 specimen collection centers and point of care testing sites statewide.

Distribute State of Alaska Crisis Standards of Care, and prepare to implement standards at the direction of the Chief Medical Officer.

Implement the Governor's health mandates.

Support the Governor's phased "Reopen Alaska Responsibly" plan assisting Alaska to return to normal operations.

Prepare to support wildfire response operations, as necessary.

Opening IC Remarks

Situation Brief
