- ✗ Telephone Hold Function
- ✓ SEOC Desk Microphone

# Incident Objectives

Objectives
Ensure the safety and security of responders as well as maximize the protection of public health and welfare.
Prevent the spread of COVID-19 in Alaska by implementing statewide containment and community mitigation strategies.
Support local emergency response operations through the coordination of information, situational reporting and resource requests.
Maintain statewide medical surge capacity to include Alternate Care Site facilities and staffing.
Execute State COVID-19 Vaccine Distribution and Management Plan.

# Incident Objectives (cont.)

Objectives
Support communities in the execution of local COVID-19 distribution and management plans to include public information, local distribution resources, and ensuring vaccine access to all members of the community.
Maintain COVID-19 specimen collection centers and point of care testing sites statewide.
Implement the Governor's health mandates.
Keep the public, stakeholders and the media informed of operational activities and address rumors or incorrect information in a timely manner.
Continue supporting non-COVID-19 response operations, as necessary.

# Governor Dunleavy Urges Alaskans to Take Immediate Action to Slow COVID-19

Governor Dunleavy is taking the following executive actions:

- On Monday, November 16 at 12:01 a.m. his new 30-day COVID-19 disaster declaration takes effect.
- Effective immediately all State employees are to work from home whenever feasible.
- Face masks and social distancing are now mandatory at State work sites for both employees and visitors.

Governor Dunleavy and Alaska's public health officials are now asking all businesses, organizations, and local governments to take the following actions through the end this month:

- Businesses, organizations, and local governments that can operate remotely are urged to send their employees home as soon as possible.
- Businesses and organizations that can offer food and supplies online with curbside pickup are urged to do so.

Distance remains the primary tool in slowing the spread of COVID-19. In order to keep hospitals, health care facilities, and businesses operating, all Alaskans are urged to:

- Maintain a distance of six feet apart from all non-household members.
- If a distance of six feet apart is not possible, wear a mask or face covering.

"We have sacrificed so much in order to fight this virus. Alaskans have done so well, and I am proud to be your Governor. With the advent of inoculations on the horizon, the end to this fight is in sight," [said Governor Dunleavy.](#)
