Safety and Security

Community
Safety

Reopen Alaska Responsibly Plan:

Health Mandate 16 includes updates to multiple existing mandates as part of a phased reopening of the state economy.

**Mandate 16 has undergone several revisions expanding reopening efforts. Please see its addendums for additional information.*

Health Mandate 17 established protective measures for defined independent commercial fishing vessels.

International & Interstate Travel:

Health Mandate 10 orders a mandatory 14-day self-quarantine for both international & interstate travelers (resident or non-resident) traveling to Alaska; failure to follow this order is punishable by law.

**HM 10 has been extended until June 2, 2020.*

Intrastate Travel:

Health Mandate 18 permits intrastate travel between communities located on the road system, and/or the Marine Highway system, for all purposes. Recommended precautions are included in the mandate.

Intrastate travel by other means remains restricted.

**Health Mandate 18 supersedes Mandate 12, and Mandate 16-Attach. M.*

Health and Medical

Public Health

Laboratory:

345 recovered of 399 total cases
9 currently hospitalized of 43 total hospitalizations
