Governor Dunleavy Urges Alaskans to Take Immediate Action to Slow COVID-19

<https://gov.alaska.gov/newsroom/2020/11/12/governor-dunleavy-urges-alaskans-to-take-immediate-action-to-slow-covid-19/>

Governor Dunleavy is taking the following executive actions:

- **On Monday, November 16 at 12:01 a.m. his new 30-day COVID-19 disaster declaration takes effect.**
- **Effective immediately all State employees are to work from home whenever feasible.**
- **Face masks and social distancing are now mandatory at State work sites for both employees and visitors.**

Governor Dunleavy and Alaska's public health officials are now asking all businesses, organizations, and local governments to take the following actions through the end this month:

- **Businesses, organizations, and local governments that can operate remotely are urged to send their employees home as soon as possible.**
- **Businesses and organizations that can offer food and supplies online with curbside pickup are urged to do so.**

Distance remains the primary tool in slowing the spread of COVID-19. In order to keep hospitals, health care facilities, and businesses operating, all Alaskans are urged to:

- **Maintain a distance of six feet apart from all non-household members.**
- **If a distance of six feet apart is not possible, wear a mask or face covering.**

"We have sacrificed so much in order to fight this virus. Alaskans have done so well, and I am proud to be your Governor. With the advent of inoculations on the horizon, the end to this fight is in sight," said Governor Dunleavy.

Weather Forecast (Statewide)
