(Significant changes from previous situation reports are in red.)

Threat Level Changes

None

DHS&EM Operations

The SEOC is working with Tatitlek to find a viable option to increase their water reservoir capacity or a new water source that would allow an increased production.

The city manager for Kotlik called to notify the SEOC of the fire in their community hall and a vacant home. The city manager believe the building is insured. The SEOC will continue to monitor this situation.

Significant Weather
