As of May 7, 2020.
**Reimbursement of Expenditures for Public and Individual Assistance:
DHS&EM has initialized contact efforts and processed requests for Public/Individual Assistance to various applicant and entities. 212 agencies requiring contact; 180 contacted of 211 attempted. Requests for Public Assistance (RPA); 83 submitted to FEMA data management system of 110 anticipated.

As of May 8, 2020
**Economic Protective Plan Reviews:
DHS&EM has conducted the following reviews to date; 1,861 plans received, 517 RFIs, 308 plans reviewed, 8 messages to be addressed.
Reopen Alaska Responsibly Plan:
Health Mandate 016 includes updates to multiple existing mandates as part of a phased reopening of the state economy. These include changes to childcare & day camps, fishing charters, gym/fitness centers, lodging & overnight camping, and intrastate travel provisions contained in mandates 3.1, 11, and 12.

Mandate 16 has been revised to open a greater number of businesses and allow for more capacity in already opened business. Please see the revised appendices for more information. Mandate 16 has superseded Mandate 11.

Health Mandate 017 established protective measures for defined independent commercial fishing vessels in lieu of submitting a Community/Workforce Protective Plan under mandate 10 or 12.

DCCED e-mail address to be used to report suspected violations of the health mandates, including quarantine: investigations@alaska.gov.

International & Interstate Travel:
SOA Health Mandate 010 orders a mandatory 14-day self-quarantine for both international & interstate travelers (resident or non-resident) traveling to Alaska; failure to follow this order is punishable by the law.

Intrastate Travel:
SOA Health Mandate 012 suspended all in-state travel unless necessary to support identified critical infrastructure or for identified critical personal needs. This mandate remains in effect until rescinded.

Mandate 16 has permitted recreational travel activities for households, with certain restrictions and protective measures required.
# Food, Water, Shelter

## Food

**Food Bank:**
Food banks are experiencing higher than normal traffic. Representatives estimate current supply chains are stressed but donations continue. Food Bank's across Alaska have started a variety of food distribution programs including The Emergency Food Assistance Program (TEFAP) and the Commodity Supplemental Food Program (CSFP).

## Shelter

**Quarantine and Isolation:**
Health Mandate 014 implements a temporary quarantine and isolation program utilizing non-congregate shelter solutions including hotels, college and university dormitories, and properly modified non-traditional structures to house three specific populations:

- First responders and healthcare workers who need to quarantine safely without exposing their families.
- Homeless families, with at least one member who tested positive for COVID-19, who live in congregate shelters and will require isolation.
- Homeless individuals who require quarantine or isolation.

---

# Health and Medical

## Medical Care

**Health Care Facilities and Health Care Providers:**
Health Mandate 015, Services by Health Care Providers, went into effect in phases, with Section II going into effect April 20, 2020 and Section IV going into effect May 4, 2020.

Sec IV: Effective May 4, 2020, Provision for Resuming Non-Urgent/Non-Emergent Elective Services. Health care services that cannot be delayed beyond eight weeks without posing a significant risk to quality of care are permitted to resume if the published conditions of Health Mandate 015 are met.
<table>
<thead>
<tr>
<th><strong>Alternate Care Sites:</strong></th>
<th>Alternate care sites have been established within eleven different communities throughout the State in response to potential surge of COVID-19 patients and an increased demand for care.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Emergency Medical Flight Services:</strong></td>
<td>Air Operations Branch is developing agreements to facilitate the transportation of COVID-19 patients. The Branch is also working with Forestry to develop plans for aircraft during summer wildfire season while maintaining ability to respond to COVID-19 needs.</td>
</tr>
</tbody>
</table>
| **Laboratory:** | Statewide Case Count totals: 377 positive/305 recovered/38 hospitalized/10 deaths.  
A total of ~25,000 tests have been conducted within the state.  
[AK COVID-19 Dashboard](#) |
| **Blood Bank:** | Blood Bank of Alaska is requesting recovered COVID-19 patients donate plasma; blood type O+/O- is the current “critical need”.  
**Distribution:**  
Alaska has received medical supply shipments. Ongoing efforts continue to strengthen the availability of existing stores of personal protective equipment and medical equipment needed to fight the coronavirus pandemic. |
Weather Forecast (Statewide)

**Anchorage & Mat-Su**
- Turbulence Friday (VFR).

**Gulf Coast Region**
- Heavy Rain & Windy (isolated severe turbulence) on Friday (IFR).
- No significant weather Saturday (MVFR for Kodiak).
