Reopen Alaska Responsibly Plan:
**Effective Friday May 22, 2020 Alaska is reopened.**

It remains the responsibility of individuals, businesses, and organizations to mitigate the spread of COVID-19. Alaskans are encouraged to follow guidelines on ways to reinstitute activities safely.

Health Mandate 16 includes updates to multiple existing mandates as part of a phased reopening of the state economy.

*Mandate 16 has undergone several revisions expanding reopening efforts. Please see its addendums for additional information.*

Health Mandate 17 established protective measures for defined independent commercial fishing vessels.

**International & Interstate Travel:**
Health Mandate 10 orders a mandatory 14-day self-quarantine for both international & interstate travelers (resident or non-resident) traveling to Alaska; failure to follow this order is punishable by law.

*HM 10 has been extended until June 2, 2020.*

**Intrastate Travel:**
Health Mandate 18 permits intrastate travel between communities located on the road system, and/or the Marine Highway system, for all purposes. Recommended precautions are included in the mandate. Intrastate travel by other means remains restricted.

*Health Mandate 18 supersedes Mandate 12, and Mandate 16-Attach. M.*
Health and Medical

Laboratory:
352 recovered of 402 total cases
16 currently hospitalized of 44 total hospitalizations
10 deaths
~37,000 tests have been conducted within the state.
