Significant Weather:

A Special Weather Statement remains in effect for heavy rain expected this week for the southeast panhandle, and an additional three to six inches of rain is possible between today and Friday. The increased rainfall has caused the Taiya River to rise above bankfull and it may reach minor flood stage over the next several days due to continued rain.

For more information and the most current weather, Watches / Warnings / Advisories go to: http://www.weather.gov/arh
Fire Weather:
For more information and the most current fire-related weather and warnings, go to: https://dnr.alaska.gov/burn or: https://fire.ak.blm.gov/predsvcs/weather.php
