**Maritime Security (MARSEC)** Level:1-Minimum Appropriate Security Measures

| Alaska Military Installation Force Protection Level: FPCON Bravo |

(Significant changes from previous situation reports are in red.)

**Significant Issues:**

**SEOC at Level 2 – Heightened Awareness – Statewide Severe Weather Impacts**

The State Emergency Operations Center (SEOC) remains activated in a hybrid virtual/in-person Incident Command structure to manage the current state declared disaster responses and other incidents arising statewide.

Interior Storm - Due to staff illness, Disaster Assistance Center (DAC) operations have been paused at this time. DHS&EM will NOT be opening the DAC in Delta Junction today as scheduled nor in Fairbanks as scheduled next week. The future DAC schedule is to be determined. Online registration for Individual Assistance is still available at [https://ready.alaska.gov/](https://ready.alaska.gov/).

**Threat Level Changes:**

None

**State of Alaska Department of Health and Social Services (DHSS)**

DHSS is now leading the State of Alaska COVID-19 Recovery through Department Operations, supported by SEOC and other state departments as required.

For current COVID-19 information, see:

**NTAS BULLETIN**

Significant Weather:
Blizzard Warnings have been issued for the following areas:

- Thompson Pass – expiring at 9 AM today.

Winter Storm Warnings remain in effect for the following areas:

- Misty Fjords including Hyder – extended until 6 AM tomorrow. Up to 10 inches of additional accumulation and freezing rain possible.
- Haines Borough and Lynn Canal, Taiya Inlet and Klondike Highway, including Haines and Skagway – until 6:00 PM today. Total accumulation of 8 to 15 inches.
- Juneau, Gustavus and Hoonah – until noon today. Additional accumulation of 1 to 4 inches.

Winter Weather Advisories remain in effect for the following areas:

- Upper Koyukuk Valley (primarily Dalton Highway Summits and near Indian Mountain) – until noon today. Blowing and drifting snow.
- Yukon Flats and Surrounding Uplands (primarily Steese and Dalton Highway Summits, and in the White Mountains) – until noon today. Blowing and drifting snow.

For more information and the most current weather, Watches / Warnings / Advisories go to: http://www.weather.gov/arh.

Avalanche Forecast:

There are areas near Cordova, Thompson Pass and Valdez with moderate risk and areas near Haines and Chilkat Lake with considerable risk.

Check the Avalanche Forecast Center closest to your area for the most up to date information on avalanche potential. https://alaskasnow.org or https://www.weather.gov/afc/avalancheweather

The Next Situation Report: will be 07 February 2022. A significant change in the situation or the threat level will prompt an interim report.
