**Significant Issues:**

### Eagle River Avalanche:
Gov. Dunleavy has issued a Disaster Declaration for an avalanche that impacted Hiland Rd in Eagle River late last week. Mitigation efforts were completed over the weekend to reduce the risk of further slides in the area, but the roadway may be closed for up to two weeks while snow clearing operations take place. The SEOC is continuing to work with the Municipality of Anchorage and other agencies involved in damage assessments, debris removal and other response and recovery needs.

### Threat Level Changes:
None.

### State of Alaska Department of Health and Social Services (DHSS)
DHSS is now leading the State of Alaska COVID-19 Recovery through Department Operations, supported by SEOC and other state departments as required.
