Significant Issues:

Clarks Point’s Drinking Water Well:

An SEOC specialist will return today from Clarks Point. During the week the SEOC specialist met with local leadership, water treatment operator, Bristol Bay Area Health Corporation, multiple state agencies to include DEC and DCRA local government specialists to assist the community with identifying solutions for the current drinking water well. All involved parties also discussed long term plans for a new drinking water well.

SEOC specialist has also engaged the Alaska VOAD organization for mass care support and donation of water purification units.

State of Alaska Department of Health (DOH):

The DOH is ready to assist with all aspects of public health and is supported by the SEOC and other state departments as required in the event of a public health emergency.
