(Significant changes from previous situation reports are red.)

Significant Issues:

Napaskiak Power Outage:

SEOC received notification yesterday that Napaskiak was experiencing a power outage with their three generators. The generation contractor from Akiak flew to Napaskiak and was able to repair two of the three generators by yesterday evening. The city can operate while further maintenance is being done on the third generator. SEOC is actively monitoring the situation and will engage if needed.

Klondike Highway Rockslide Update:

Rockslide occurred on Monday July 23rd, on the Canadian side and fully covered both lanes of the Highway, closing the Highway south of Carcross and both the US and Canadian borders. Incident is stabilizing due to Yukon Highways and Public Works continued effort to remove debris. Highways remains open from 7am to 8pm (Alaska time) with single lane traffic guided by pilot car.

G3 Geomagnetic Storm Watch:

Solar Flare impacts to Alaska include a short disruptions of HF radio, power grid indicator false alarms, and some minor satellite navigation corrections. Active conditions are likely to persist throughout the week.

State of Alaska Department of Health (DOH):

The DOH is ready to assist with all aspects of public health and is supported by the SEOC and other state departments as required in the event of a public health emergency.
