(Significant changes from previous situation reports are red.)

Significant Issues:

Riverwatch:

Lower Yukon Division:

SEOC held a Lower Yukon community call yesterday and continues to monitor flood risk for the Lower Yukon communities including Emmonak and Alakanuk.

A Flood Watch is in effect for the Yukon River downstream of Pilot Station including near St. Mary’s and Pitka’s Point.

A Flood Watch is in effect for the Yukon River from Mountain Village to the Coast.

Fort Yukon Communities Snowmelt Flood Concern:

A Flood Watch is in effect for snowmelt flooding from the Porcupine River at Fort Yukon.

There is concern for snowmelt flooding for from snowmelt through Canada on the Porcupine River that could impact Fort Yukon later this week. SEOC has been in contact with Fort Yukon and Canadian officials and is carefully monitoring.

2024 Spring Flood Disaster

Kuskokwim Division:

Governor Dunleavy has declared a disaster for the Kuskokwim River communities in the Lower Kuskokwim and Yupiit Regional Education Attendance Areas in response to flooding. The disaster recovery Individual Assistance program, that provides grant funding to individuals and families with damaged to primary residence or essential personal property lost during the flooding, is now open for those in the declared area.

State of Alaska Department of Health (DOH):

The DOH stands ready to assist with all aspects of public health and, in the event of a public health emergency, is supported by the SEOC and other state departments as required.
