Significant Issues:

The SEOC moved to Level 2 - Heightened Awareness due to the status of Suicide Basin/Juneau GLOF. The potential release of the basin is predicted to occur several days after the basin reaches full with timing for a full basin estimated at Aug 11-12th. Two SEOC personnel are deploying to Juneau to assist local authorities with any flooding response coordination needs including Central Council of Tlingit & Haida Tribes and City and Borough of Juneau.
