(Significant changes from previous situation reports are red.)

Significant Issues:

Juneau Glacier Outburst Flood – 2nd Release

The Mendenhall Glacier, Suicide Basin, released yesterday and the Mendenhall River crested at Moderate Flood Stage of 10.18 feet at about 0600 hr. this morning and then began receding. No major impacts were reported, with only nuisance flooding to a local campground, trails, and yards on View Drive.

USS Ted Stevens Commissioning

SEOC is deploying personnel and communications equipment to support the Whittier Incident Command for the USS Ted Stevens Commissioning Saturday. SEOC personnel are also providing coordination of Alaska National Guard servicemembers supporting Commissioning events this week.

Tok Wildland Fire

Individual Assistance hotline and online application portal remained open through October 19, 2026. Applicants could call 1-844-445-7131 or register online at Ready.Alaska.Gov.
