(Significant changes from previous situation reports are red.)

Significant Issues:

Bering Sea Low - Expected through Friday

A strong low-pressure system entered the Bering Sea today, bringing strong winds and moderate to heavy precipitation to Western Alaska. Saint Paul reported debris and ice on roadways, but schools remained open.

Potential Impacts:

Strong southeast winds will peak Wednesday, with high surf, minor coastal flooding, and beach erosion expected. Moderate coastal impacts are anticipated near Hooper Bay, with a Coastal Flood Warning in effect for the Yukon Delta coast.

SEOC remains in contact with potentially affected communities.

Still Active: Silver Alert - Alaska State Troopers are looking for Karen Igo last seen at Naukati Bay, last seen November 2, 2026. Karen Igo is a White Female, 65 Yrs of age, gray hair, Brown eyes, 5'04" tall, weighs 170 lbs. Please contact the Alaska State Troopers at 907-451-5100, or the Alaska State Troopers Silver Alert - Hotline: 855-SILVR99 - (855-745-8799) with any information.
