(Significant changes from previous situation reports are red.)

Significant Issues:

Strong End of Week System Update - NWS Juneau

Moderate to Heavy rainfall and strong winds are expected Thursday into Friday morning, especially for the southern panhandle. SEOC is in contact with the communities expected to have the most impact. Operations have a meeting this morning with NWS and Division of Geological & Geophysical Surveys (DGGS) to gain further insight into the storm and potential for landslides.

Tok Wildland Fire

Individual Assistance hotline and online application portal remained open through October 19, 2026. Applicants could call 1-844-445-7131 or register online at Ready.Alaska.Gov.
